EXCLUSIVE ESCORTED TOUR & CRUISE

You are invited to join our very special Compass Society journey to the Lao archipelago in Fiji – where we'll embark on a **7 night, all-inclusive luxury small ship sea voyage** aboard Captain Cook Cruises' *MS Caledonian Sky*, a voyage rich in cultural encounters and natural wonders to islands where few have the opportunity to visit.

You can choose to be as adventurous as you feel... this truly is an escape where you can switch into holiday mode and forget reality.

Fully escorted from Hobart by Cathi Burnett-Cosgrove, the tour includes return international airfares, immersive lectures and guided excursions, exclusive shoreside experiences, the best and freshest Fijian fare and **4 nights** on Fiji's stunning Coral Coast.

Contact us today for your no-obligation copy of our full tour itinerary, before the tour sells out.
